Directions

Profile Group is situated in the heart of the City of London. Augustine House is located on the south side of Austin Friars Square and adjacent to the pedestrian link to Old Broad Street (Pinner's Passage).

By Train

All major rail stations will enable you to connect to Bank, Liverpool Street or Moorgate via the London Underground.

By Underground

Bank (Central, Northern and Waterloo & City lines and Docklands Light Railway) and Liverpool Street (Central, Circle, Metropolitan and Hammersmith & City lines) stations are all less than five minutes walk from our office.

from Bank

Take Exit Two marked Threadneedle Street, turn left and follow the road into Old Broad Street. As the road forks, keep left past the old Stock Exchange building and follow the road for a few yards. You will see Austin Friars arched entrance on your left (just by the Hogs Head pub). Follow the narrow road round to 6A Austin Friars, just after the Dutch church.

from Liverpool Street

Follow the main exit to Liverpool Street. Walk south along Old Broad Street towards London Wall. At the lights continue walking south on Old Broad Street. Directly opposite Tower 42 (the old NatWest Tower) and next to the Corney & Barrow wine bar, there is a passage way called Pinner's Passage. This leads to a courtyard, Augustine House is the first office on the left.
